REMARKS:

- Filing of required tax returns to conform with the above tax types, whether with or without business operation, to avoid penalties.
- For new business registrants, application for registration manual Books of Accounts (BAs) shall be before the deadline for filing of the initial quarterly income tax return or annual income tax return whichever comes earlier, from the date of registration. Registration of new set of manual BAs shall be before the due date.
- Immediately inform the district office in case of other/alterations of business and other changes in registration information by filing BIR Form No. 1905.
- For Self-Employed Individuals (SEI) whose gross sales and other non-operating income do not exceed the VAT exempt threshold and who opted to avail of their 6% income tax rate, the tax type percentage tax (PT) shall not be reflected in the Certificate of Registration (COR). However, at the start of each taxable year, such SEI shall be automatically subjected to graduated income tax rates and required to file quarterly.
